ABOUT US

BiMars is one of the pioneers in Immigration and Education Consultancies, aiding students who pursue their Education Abroad and Planning Immigration for Canada, Australia and many more countries. The fascinating story behind its inception and the gained accolades all these years speak about our success stories.

At BiMars Consultants, we believe in integrity and values that drive us consistently to serve you better. As a leading immigration consultant in India, we aim to take the pain out of the process entailed in VISA applications. Since then our inception, we have delivered exceptional services to all our clients. Our focused approach and ability to comply with the legalities of this process set us apart from the competition.

Over the years, we have helped many immigrants to accomplish their international goals successfully. We take pride to be a partner in their journeys. With our help and expertise, you can begin a new lease of life abroad. We provide complete VISA assistance for immigrants looking for opportunities in countries like Canada, Australia, and Quebec and for Overseas Education like Canada, Australia, NZ, USA, UK & France to name a few.

OUR TEAM

The team of consultants working with us is the core strength. These certified professionals are well-equipped with the knowledge, industry insights, experience, and integrity that it takes to excel in this industry. Our registered migration agents will help you at every step of the way. They follow the highest standards of service and Code of Conduct specified for them. They possess complete knowledge of laws and regulations pertaining to VISA processes in the developed countries having the highest influx of immigrants. Immigration Consultants having expertise of providing quality solutions in immigration services to individuals, families and corporate clients those who are seeking to settle, work, study, visit or move temporarily or permanently in Canada, Australia, New Zealand and Denmark.

WHERE WE STAND DIFFERENT ?

We, a team of immigration experts who are the people having deep industry insights and experience. Our consultants are internationally well-trained and certified for their skills.

EXPERIENCE AND EXPERTISE

With ample experience in handling VISA applications and immigration process, we provide the best tailor-made solutions for timely completion of this process. We always keep a track of the latest updates made in the laws, policies, and regulations pertaining to the immigration in countries where we operate. So, the immigrants would experience a one-stop for all their immigration process from us
